TERM 'PR?' EXCEEDED TRUNCATION LIMITS - SEARCH ENDED

18 FILES SEARCHED...

You have entered a truncated stem which occurs in too many terms. Make the stem longer and try again. For example, if your original term was 'degr?' to search for variations and the abbreviation for 'degradation', you could replace it with the expression '(degrdn OR degrad?)'. If your search term was numeric, e.g., 'C>5', reduce the size of the range.
